

Unifying HR & Payroll With Our Cloud-Based Solution Orange

By bringing the essential functions of Payroll and HR together, Orange simplifies your people management. All critical functions are in one database. No more exporting, importing or clunky integrations. And, Orange doesn't stop there. It easily scales to include time tracking, benefits enrollment, applicant tracking and onboarding if and when you need those as well.

Orange lives in the cloud, so you can access it anywhere at any time. And, it's designed and built from the ground up, based on customer feedback - so you can get payroll done quickly and accurately. **No hassles.**

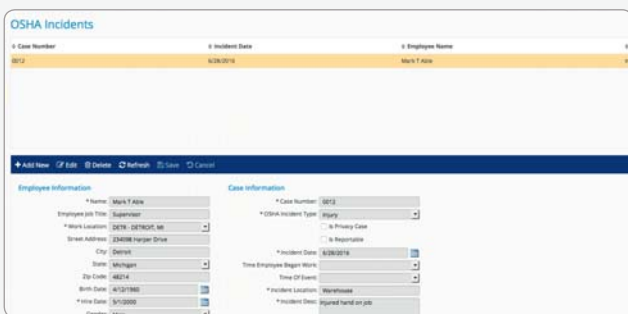

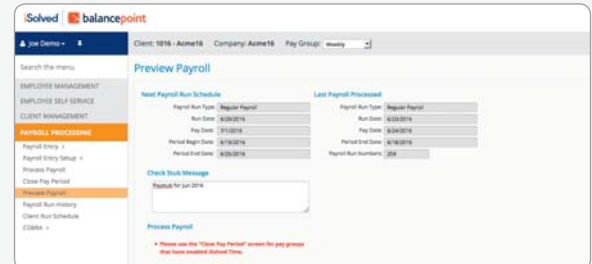

DASHBOARD

Orange starts with your Dashboard. Here is the command center that allows you access to all other parts of Orange.

PAYROLL PREVIEW

Orange's full payroll preview puts you in control, alerting you to potential errors before you process. Plus, Orange will calculate taxes with no headaches - even in multi-state situations or where you have complicated, layered local tax rates.

HUMAN RESOURCES

The HR section of Orange is the central location in managing your employees' documentation, OSHA incidents and company assets. You can add expiration dates for certifications, performance reviews and more!

You now have one technology that can do it all. Payroll. HR. Benefits. Time. All of your mission critical employee data in one place. **Now that's game changing.**
